

First Responders Webinars

**Looking for help with training?
We're here for you!**

Join us Wednesday nights at 7:00 P.M. (EST) as we bring the training to you. Whether you join from your couch or from the station, every 1st & 3rd Wednesday night of the month we tackle subjects that are designed to help you stay safe while on the job.

For a list of upcoming webinars and to register, visit:

[www.ESIP.com/
webinars-ESIP/](http://www.ESIP.com/webinars-ESIP/)

**Can't make it
Wednesday night's?**

We record all of our webinars and place the recordings on our E-Learning platform for you to view and use at a later date!

Ask us how you can access E-Learning today!

**Previous Webinars
Include:**

- Pediatric Medical Topics
- Solar Electric Emergencies
- Bloodborne/Infectious Diseases
- Social Media Promises & Pitfalls for Fire and EMS
- Water Supply Operations
- Safety Considerations for Working in Roadways
